

## BECOME A MEMBER OF THE COMO WATERSHED GROUP!

The CWG has a flexible membership system that allows you to directly invest in our activities. Options range from individual/family memberships to corporate/community sponsors. Donations contribute to restoration activities, supplies, special events like the Como Lake Festival, production and distribution of our newsletter, insurance and liability coverage for volunteers, nursery upkeep, educational activities, and purchase of native plants. And that's just a sample of the various costs and demands for keeping our organization going and serving the community and the watershed. Membership allows you to play a role in the decision-making and future direction of the Society. By becoming a member of the CWG, and getting involved in your community, you will help to ensure that the Como Watershed continues to be the special place we have all come to love. **To become a member simply complete this form and mail with cheque or money order to:**
