1ST ANNUAL
BURNABY NEIGHBOURHOOD CAR RALLY
SUNDAY, SEPTEMBER 29, 2002

Support the South Burnaby Neighbourhood House

you could win

FIRST PLACE \$2000

What is the Neighbourhood House?

The Neighbourhood House is a charitable social service organization that welcomes neighbours into the community and provides support to individuals and families of diverse backgrounds and of all ages living in the Burnaby community.

Proceeds from the Car Rally will support the many programs and services offered by the Neighbourhood House and its volunteers.

What is a Car Rally?

The Car Rally is designed for participants to have fun as well as to raise money for the South Burnaby Neighbourhood House.

A specific route will be designed and Car Rally teams will be given their directions in a sealed envelope on the morning of the contest.

The contest will be a true test of driving and navigation skills. By following directions, teams will navigate their way from a starting point through a number of checkpoints to the finish line.

The end of the day will be celebrated with a banquet dinner and awards ceremony.

How do we get involved?

There are many ways that companies and organizations can support this year's Burnaby Neighbourhood Car Rally, as a sponsor or as a participant.

For more information about the Neighbourhood House and about becoming involved in the Burnaby Neighbourhood Car Rally contact Antonia Beck at 431-0400.
